# **Sunday School Family Challenge**

**Week 2**

Try to base your family devotional(s) off of this week's challenge. Get creative and make this challenge your own!

**This week's challenge:**

**Children, do something to show  
God's love to your parents this  
week.**

Some examples might be:

1. Do a chore without being asked
2. Listen to your parents without complaining
3. Pick wild flowers for your mom

**Questions to discuss:**

How does this show that we love God with all our heart, soul, and strength?
