GRANDPARENTS

Few can bring the warmth
We can find in their embrace,
And little more is needed to bring love.
Than the smile on their face.

They've a supply of precious stories,
Yet they've time to wipe a tear,
Or give us reasons to make us laugh,
They grow more precious through the
years.

I believe that God sent us Grandparents
As our legacy from above,
To share the moments of our life,
As extra measures of His love.

These are the commands, decrees and laws the Lord your God directed me to teach you to observe in the land that you are crossing the Jordan to possess, so that you, your children and their children after them may fear the Lord your God as long as you live by keeping all his decrees and commands that I give you, and so that you may enjoy long life.
