Tis The Season....

to be thinking about Christmas Choir. The Program Committee is once again planning a Christmas Eve program, and would love to see a Christmas Choir participate in this evening. If you're at all interested in singing in the choir, having fun, and worshiping through music, please sign up on the sign-up sheet in the foyer asap. The choir will meet once a week for approximately 5 weeks prior to Christmas. If there is not enough interest, there will unfortunately not be a choir.

Church Directory

Our church is beginning the process of creating a new church pictorial directory. In order to update information for this, we would ask that all members and those attending Glencross regularly please check the address information sheets on the tables in the foyer and make any necessary corrections. If your name is not on the list please fill out a blank form available on the table. We also need to collect current pictures for the pictorial. There will be photographers in the church foyer starting today to take casual photos of couples, families, and individuals as they come into church before and after Sunday School. Or if you are planning to have a family photo done for Christmas cards and would like to submit your own current family picture please email it to jennmatt@snet.ca. If you have questions please contact Jenn Klassen.

Take Note

The following four couples have let their name stand for the Deacon couple positions:

- Dennis & Colleen Driedger
- Ken & Irma Klassen
- Art & Carol Letkeman
- Pete & Louise Peters

A confirmation ballot will take place on Nov.6/11. Please make this a matter of prayer as we look for God's leading in filling these positions.

The Morden branch of the Interscholastic Christian Fellowship (I.S.C.F.) has kicked off the new school year and would like to request your prayers as we continue to encourage fellow believers throughout the year.

We are under new leadership and are all very enthusiastic about what this year has in store. Please pray the through whatever difficulties and joys we will face, we'll emerge stronger in our faith and relationship with God.

We encourage any and all high school students to attend our group meetings on Fridays at lunch hour, as we meet in the basement of the Christ Lutheran Church across from the high school. We would also like to thank the Christ Lutheran Church for the use of their building, as well as the community youth leaders who come to I.S.C.F. and parents who support our group.

Thank you for your prayers and support!

Sincerely,

I.S.C.F. Morden

Dear Lord, help us to turn to You, not only in sadness but also in joy. We know You give us both good times and bad to draw us to You and help us grow. May we learn to trust You in all seasons of life.

Every season needs faith to get us through it.
