Money donations will also be gladly accepted, these donations will be receiptable. A table will be set up in the foyer where you can get forms, buy certificates or make donations. For the month of July, we plan to be in Novosibirsk, Russia working together with a team, building a discipleship center. This project is done through Operation Mobilization and strives to provide a facility where Russians can be discipled and then trained for ministry. Funds are still needed to purchase tools in order to make this project possible. Due to restrictions, tools can not be brought into Russia and must be purchased there at approximately double the price. For those interested in partnering with us in this mission project, a fundraising supper is being held on April 21st, from 5 -7 at Gateway Resources in an effort to raise the funds necessary to purchase tools. If you have any further questions about this project, we would love to give you more information regarding the ministry in Russia that we will be involved in. Please keep us in your prayers as we plan, and later Lord willing, travel to Russia.
