## *Thank You*

On behalf of the 11 families that had a baby within the last 8 months, we would like to say a big thank you to all who provided a meal. There were 55 meals provided by some of the ladies in the church, many of which made more than one meal. As organizers of this service we would like to express that this service provides more than just food but an outreach of support to the families. Here are some other ways this service helped a few of our new moms:

....it's being able to spend some needed quality time with my older two children.

....it's just being able to rest and enjoy our children and have one less "responsibility" while healing. THANK-YOU!!

....it's being able to spend some relaxing, quality time with all my children and my husband!!

....it's being able to take care of our baby.

Thank you volunteers, for being so willing to help us with providing these meals when needed.

“This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.” (2 Corinthians 9:12 NIV)
