Summer Family Challenge

Finding God In The Everyday

Life of Summer

This year we have taken some ideas from the Thriving Family's Activity Calendars. We are hoping to give you something to grow in your faith through everyday summer activities. Visit ThrivingFamily.ca to see extra material.

Week 6:

Take a walk around your flower garden or go to the Morden Research Station, find as many different flowers as you can find. Remind your self that God could have made everything the same shape and colour, but He created great variety in plants-different colours and purposes-to bring us joy and meet our needs. (Genesis 1:11-13)

WHO KNOWS EXACTLY WHAT WE NEED**
