## *Youth Pastor Update*

The Pastor Search Committee has invited Trevor Fleming to come and candidate for the Youth Pastor position in our church.

Trevor grew up in the Boissevain area and after graduating from high school in 1999 he attended Bethany Bible College for two years. It was here that he met Jamie, his wife. Trevor and Jamie were married in 2002 and now have two young children.

Since graduating from Bible College Trevor has been involved in ministry. His ministry experience started by becoming involved with Youth For Christ in Brandon, here he ran the drop-in center for two years. Trevor and Jamie were also house parents with YFC where they lived in a group house with five teenage boys. They provided a place for the youth to live while building relationships with them and trying to teach life skills along the way.

From 2004 to 2008 Trevor and Jamie were staff members at Pembina Valley Bible Camp where Trevor became Program Director and Jamie was involved as secretary and horsemanship director. Trevor went on to become the Youth Pastor at the church he attended as a youth, Boissevain Mennonite Brethren Church.

It is evident when getting to know Trevor that he has a heart for people and a burden for those who are hurting or going through struggles. He's passionate about helping people with both their spiritual and physical needs and when a need is seen he gets involved in practical ways. He also enjoys teaching the Word of God to others.

We ask that you prayerfully join with us in determining God's will for Glencross in the area of youth ministry.

If you have any questions or concerns regarding this contact any member of the search committee. They are: Andreas Schulz, Daniel Schulz, Ernest Unrau, Harold Weber and Dennis Driedger.
