Winning at Work and Home, a 16-session study, focuses on the two areas that are central to a man's life: career and family. It will begin to build the walls of manhood through study dealing with a man's chief responsibilities. It explores how a man can enjoy and engage his work and how he can relate to a woman in a whole new way.

OCTOBER 20TH THANKSGIVING LUNCH MEAL

¹⁷ Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account. Do this so that their work will be a joy, not a burden, for that would be of no benefit to you.

Hebrews 13:17

Music ... Praise ... Worship ... Workshop

Workshop in conjunction with the Program Committee & Music director: We are planning a music workshop for the Oct 29th at 7:30. The focus for this workshop is to better our communication ...to strengthen our purpose. Who is encouraged to come? All pianist's, keyboard accompanist's, song leaders, all worship team members, sound and projector operators, persons that play during the offering (12 yrs and older), people who do special numbers, (12 yrs and older). In short, every one that has an interest in the music in our church, even though you might not be involved with any one of the functions listed above, we would love to see you there. We'll be looking for ideas to strengthen our worship time together; we'll be taking a fair amount of time for questions and answers, we'll be looking for new talent. It would save time and we would be better prepared if you could write out your questions or comments ahead of time and pass them on to me, or to anyone of the program committee members at least one week before the workshop date. **Please make it a point to come ...October 29th at 7:30 pm**

Band/Orchestra:

If you play an instrument, this announcement is for you. We, as a program committee, are hoping to set up an orchestra of all the different instruments available, (guitars, violins, flutes, trumpets, mandolins, etc.) to accompany singers to lead in a **Sunday morning worship singing time on Oct 27th**. There would be 2 practices, the first practice would be on Tues, Oct 15th 7:30 pm, and the second practice would be on Tues, Oct 22nd at 7:30 pm. If there is interest to do this type of thing, we could do it again, perhaps every other month or so. I'm sure you'll enjoy participating. There will be a sign up sheet in the foyer starting this Sunday. If you are interested please sign up as soon as possible. This would help me prepare and select songs that would be suitable. Please also indicate what instrument you would be playing. If you have any questions, please contact Allen Schellenberg. 822 8027

Thanks!
