## Music ... Praise ... Worship ... Workshop

Music workshop - **October 29<sup>th</sup> @ 7:30**. The focus for this workshop is to better our communication, to strengthen our purpose. Who is encouraged to come? All pianist's, keyboard accompanist's, song leaders, all worship team members, sound and projector operators, persons that play during the offering (12 years & older), people who do special numbers, (12 years & older). We'll be looking for ideas to strengthen our worship time together; taking time for questions and answers, looking for new talent. Please write out your questions or comments ahead of time and pass them on to me, or to anyone of the program committee members at least one week before the workshop date.

### **Band/Orchestra:**

*We, as a program committee, are hoping to set up an orchestra of all the different instruments available, (guitars, violins, flutes, trumpets, mandolins, etc.) to accompany singers to lead in a Sunday morning worship singing time on the 27<sup>th</sup> of October. There would be 2 practices, on **Tues. October 15<sup>th</sup> 7:30 pm**, and on **Tues. October 22<sup>nd</sup> at 7:30 pm**. If there is interest to do this type of thing, we could do it again, perhaps every other month or so. There will be a sign up sheet in the foyer. Please also indicate what instrument you would be playing. If you have any questions, please contact Allen Schellenberg. (204 822 8027) Thanks!*
