Proverbs 31:10

Dermot forgot his lines in a Sunday school play. Luckily his mother was in the front row especially to prompt him. She gestured and formed the words silently with her lips, but it did not help. Dermot's memory was completely blank. Finally, she leaned forward and whispered the cue, 'I am the light of the world.' Dermot beamed and with great feeling and a loud clear voice announced, 'My mother is the light of the world.'
