**For the green thumbs at Glencross.** The mission board is planning a Union Gospel giving month during Oct. For that month UGM will have a list of specific items that they are in need of & we will be asking for your help in providing some of the items. They will also accept any fresh garden produce that is available at that time. In preparation for this if you would be willing to grow an extra row of vegetables for this purpose plan & your garden accordingly. We would then collect this during Oct & deliver it to UGM. This is an opportunity to exercise the gift of giving which God has blessed Glencross with. If you have questions you can talk to anyone on the mission board.
