### **SMALL GROUP REORGANIZATION**

The existing small groups at Glencross have been in place for the past three years. Ministerial felt that it was time to reorganize our cell groups for the fall ministry season. Reshuffling the groups would provide opportunities to get to know more of the church family as well as providing an opportunity for new people to be involved in a small group. You will find ten different options for study in the foyer along with slips of paper stating some of your preferences (i.e. Groups with children or groups without children, etc.). Please choose your desired topic by filling out the slip of paper and put it into the box. The deadline is TODAY. – Glencross Ministerial

### **YOUNG MARRIED'S**

We'd like to invite all couples married 10 years or less to sign-up for the Young Married's bible study group. This cell group meets twice a month, and gives couples a chance to have fun and fellowship with others who are in similar stages of life while studying God's word as a small group (without their children). In the past, this group has usually met on Fridays, however due to the large group at times, we'd like to try something a little different for next year. There are two sign-up sheets at the back for this group - one for a Thursday night study, and another for Friday nights. The two groups will still come together for service and social events. Please sign up as soon as possible so we can start purchasing material for fall. Looking forward to another great bible study year starting late September!
