To Parents with Young Children – In response to some concerns expressed at our last Membership Meeting about the nursery being crowded, the B&A Board has purchased a couch for the Pastor's study so that it can be used by nursing mothers during the Service. We, as a church, are so thankful for the many young families with children that are attending on Sunday mornings and hope to be a place where families with young children are always welcome. The Ministerial would also like to encourage parents of children to be sensitive to others in the sanctuary if their children become overly restless. The nursery and the pastor's study are available for parents and their children during these times. Your ideas on how we can make the worship service as family friendly as possible and at the same time provide a place for others to hear and participate in the service can be brought to the members of Ministerial.

Ladies Fellowship is doing a Mom's Pantry Fundraiser.

Forms have been distributed to your mailboxes. Please take the time to look them over and place your orders. Thank-you.

Throughout the month of October the mission board is again preparing to collect goods for Union Gospel Mission. This includes non-perishable food items, fresh produce, clothes, hygiene items, cleaning supplies, etc. Please think about what you are able to contribute to that ministry. If you are willing to make a delivery to UGM with what has been collected, talk to one of the mission board members.

Just a reminder: Ladies Fellowship offers support to camp workers and Bible School students during their first 2 years of work/studies. Forms are available on the LF bulletin board.
