### **Mission Opportunity**

The mission board would like to encourage the congregation of Glencross to take part in contributing to Relief kits and Hygiene kits for Refugees in Lebanon and Haiti. Relief kits provide valuable supplies to families whose lives have been disrupted by war or disaster. When it is time to send off the supplies there will be pails available from MCC for the relief kits and bags for the hygiene kits. Our goal as the mission board is as follows:

- Each cell group to contribute items towards Relief kits (a minimum of two or as many as each group would like to do).
- Each Sunday school class contribute towards at least three Hygiene kits or as decided by teacher.

The collection of items would occur throughout the month of February with March 5th being the final day. If anyone has any questions please talk to one of the mission board members.
