From the Music Director

An Easter Choir is being planned for Easter Sunday morning with practices on the two Mondays prior to that Sunday – April 3rd and 10th. If you're interested in singing in the choir, would like your music ahead of time, or have any questions at all, please don't hesitate to come talk to me. Looking forward to singing together!

In case you're unaware, our church annually purchases a licence to a website that has access to thousands of songs (www.songselect.com). Not only does this website allow users to print off many different songs, it gives the option to change the key of the song, print chords, or lyrics...etc. If you're involved in serving in the area of music at Glencross, and feel you could benefit from having access to this website, please come talk to me and I'll email you an invitation to the site.
