Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

To Parents with Young Children – In response to some concerns expressed at our last Membership Meeting about the nursery being crowded, the B&A Board has purchased a couch for the Pastor's study so that it can be used by nursing mothers during the Service. We, as a church, are so thankful for the many young families with children that are attending on Sunday mornings and hope to be a place where families with young children are always welcome. The Ministerial would also like to encourage parents of children to be sensitive to others in the sanctuary if their children become overly restless. The nursery and the pastor's study are available for parents and their children during these times. Your ideas on how we can make the worship service as family friendly as possible and at the same time provide a place for others to hear and participate in the Service can be brought to the members of Ministerial.
