Help send 1 million kids to camp. We need 300 combines.

We need volunteers to make this happen.

Contact Norman Hildebrand for combine registration.

Children's Church

We are looking to start a children's church Sunday mornings that would help keep the little ones busy during the church service. It would run after the singing was finished and just before the sermon starts until the end of the service. Children ages 1-4 (or not already in kindergarten) are welcome. Make sure you find the sign-up sheet in the foyer to sign up as a volunteer or to sign your children up to come. Volunteering is open to anyone in the church. We would love if you have children involved in children's church, you would also volunteer to help, however we also understand that there are young families where parents are already involved in the Sunday morning worship service. We are also looking for any toys you would be willing to donate for the kids to play with in Children's Church. If you have any questions please talk to Karen Wiebe.
