From the Program Committee

Our church has been asked to help serve at Homestead South in Morden. The Glencross church would be on a rotation list with other churches, and would bring a short message and special music there Sunday afternoons, similar to what we currently do at Tabor Home and the hospital. Although as a program committee we would love to commit to this opportunity, we know that finding volunteers to serve can be challenging at times and would appreciate feedback from the congregation before committing to another service. If you feel this is an area you would like to serve in, please contact Shirley Unrau or Rosemarie Friesen and as a committee we will consider this before making a decision about serving at Homestead South.

How many days until Christmas? Not that many...and much less until we start planning for it! As music director, I would love to have some feedback regarding your thoughts on the Christmas Eve program. Choir? Special Numbers? Other ideas? Please feel free to share your thoughts and ideas with me, either in person, or email.
