The Sunday School department is urgently looking for someone to take on the role of Sunday School Superintendent starting January, 2019. A complete description of this position can be found in the Church Policy Manual. If desired, the position could be shared by two people. If you have been thinking about taking on this role or just want more information, please contact either Isaac Klassen or Paul Gervais as soon as possible. This position is a critical part of the Sunday school program and without someone in this role, the Sunday school program will suffer.
