You are invited to join D’Friesens and Wilf and Margaret Unrau for an online “Working Together” fundraising event on Sunday, July 12, at 7:00 PM via YouTube. Enjoy various music artists and stories of how God is at work among the Low German Mennonites in many different places. - Praise God for the beautiful summer weather.
- Praise God for the protection from Covid-19 that He has given us in Manitoba.
- Pray for our leaders and those in positions of authority over us.
- Pray for safety as families spend vacation time together.
- Pray for guidance and wisdom as we plan Church Services the next few months.

My cancer surgery was on February 14th. My surgeon told me she had removed all the cancer and that the surgery was a total success. No further treatments are needed at the present time. Thank you for all your prayers and well wishes.  
- Henry Thiessen
