Right Now Media - We are excited to share that our church now has unlimited access to RightNow Media—the world’s largest streaming library of video Bible study resources (it’s been called the “Netflix of video Bible studies”). This extensive library has more than 20,000 videos. There’s even a library just for kids with over 2,000 safe, entertaining videos.

Contact Stephen Peters if you want to sign up.

EMMC Gathering June 4-6 - All those wishing to attend in person or join this virtual event need to register. Go to the **Gathering 2021 website at emmc.ca** for more information and to register. The Early Bird registration of \$10/person is in place until **May 15**. After that, registration increases to \$15/person. With being virtual – you can join in the events from any device or computer wherever you are! It also allows us to join with mission workers from their place of ministry.

Together with the program committee, we have decided to return to a more regular scheduling of our Sunday morning services. This means we will be once again scheduling a special number, children's item and prelude. If you were previously on our volunteer list, you will once again be scheduled to serve. Typically, our prelude was done by the pianist scheduled for that Sunday, but because offertory is not happening, in an effort to involve more people, we will be scheduling those volunteers on the offertory list for prelude. We ask that anyone scheduled to play prelude, begin playing 5 to 10 minutes prior to the scheduled service time. Should services once again resume and move to dual services, we ask that the individual(s) playing for prelude, do so for both services.

Should you have any questions or concerns, please feel free to contact me.

Thank you for your willingness to serve.
