Sunday School
The Christian Education Board is looking for people to take on the roles of Sunday School Superintendent and Assistant Sunday School Superintendent. These are essential positions that are required for our Sunday school program. Please prayerfully consider if this is an area in which you could serve.
For more information, please contact Stephen Peters or Paul Gervais.

Right Now Media - Our church now has unlimited access to Right Now Media. The world's largest streaming library of video Bible study resources. Please contact Stephen Peters to sign up.

Together with the program committee, we have decided to return to a more regular scheduling of our Sunday morning services. This means we will be once again scheduling a special number, children's item and prelude. If you were previously on our volunteer list, you will once again be scheduled to serve. Typically, our prelude was done by the pianist scheduled for that Sunday, but because offertory is not happening, in an effort to involve more people, we will be scheduling those volunteers on the offertory list for prelude. We ask that anyone scheduled to play prelude, begin playing 5 to 10 minutes prior to the scheduled service time. Should services once again resume and move to dual services, we ask that the individual(s) playing for prelude, do so for both services.
Should you have any questions or concerns, please feel free to contact me.
Thank you for your willingness to serve.
