On behalf of the library:

Just a reminder, now that we have more regular church services and programming, if you have any materials from the library (books, movies, etc.), please check around the house and return it as soon as possible. Some items have been gone for several months so we be putting slips in your mailbox to let you know what needs to be returned. Thank you!

**I have hidden your word in my heart that I might not sin against you. Psalm 119:11 NIV**

### **Sunday school schedule**

Children wait in the church sanctuary for singing to begin  
9:30 - 9:50 Singing  
9:50 - 10:25 Lessons

### **Memory Bible Verse Program**

A verse paper was handed to each child this morning. The verse of the week will also be printed in the bulletin. For example, the verse in the bulletin this week would be recited next week. When the children arrive at church, they can go to the table set up in the foyer to recite to an assigned listener. They will receive a sticker with the verse on it and can stick it on a personalized (keepsake) page which will be kept here until the quarter is done. They will be rewarded with a prize for reciting verses along the way as follows at 4, 8, 12, 16  
High School students can recite to their teachers.

If a child misses a verse, they can recite it when they have learnt it. The bold font represents the simplified version for young children. We will leave it up to the parents to guide your child in how much of the verse your child will memorize. For children or adults who want a challenge there are passages printed on the back of the paper. Our desire is that memorizing verses will have a lasting impact on our children way beyond the small prizes we have to offer. It would be fun to see all ages participating. If you have questions contact Loretta/ Megan / or Amanda.
