From Ben Wiebe's family, Just a quick note to say a big Thank You for all the support we have received from friends, family, and church families during our time of loss! Your prayers and words of comfort have been very much appreciated during and after the loss of our mother/grandmother Nettie Wiebe. We have compiled and printed all the online condolences for Ben, and they have been of great comfort and support to him as well. Although he is sad, he is doing well and feels some sense of relief that Nettie is free from suffering. The staff at Salem have shown great kindness and support to him at this time, so we know he is well cared for. God Bless You!
Dolores (for the family)
