## Glencross Worship Service Schedule Change

At our last Council Meeting we re-evaluated the plan for our upcoming church services. We have decided to keep the general format the same as we have been doing with one significant change. We will continue to go ahead with one service and have Sunday School at the same time as the service. ***The Sunday School and Service time will both be changed from 9:30 am to 10 am.*** Church Council would also like to remind everyone that there is still a mask mandate in place and with the significant spread of Covid at this time it is important to protect one another. We do have a number of vulnerable people in our church, and we feel that it is our responsibility to protect them as much as possible. We want everyone to feel safe when they come to worship.
